Verizon Donates \$10,000 to Support DV Victims

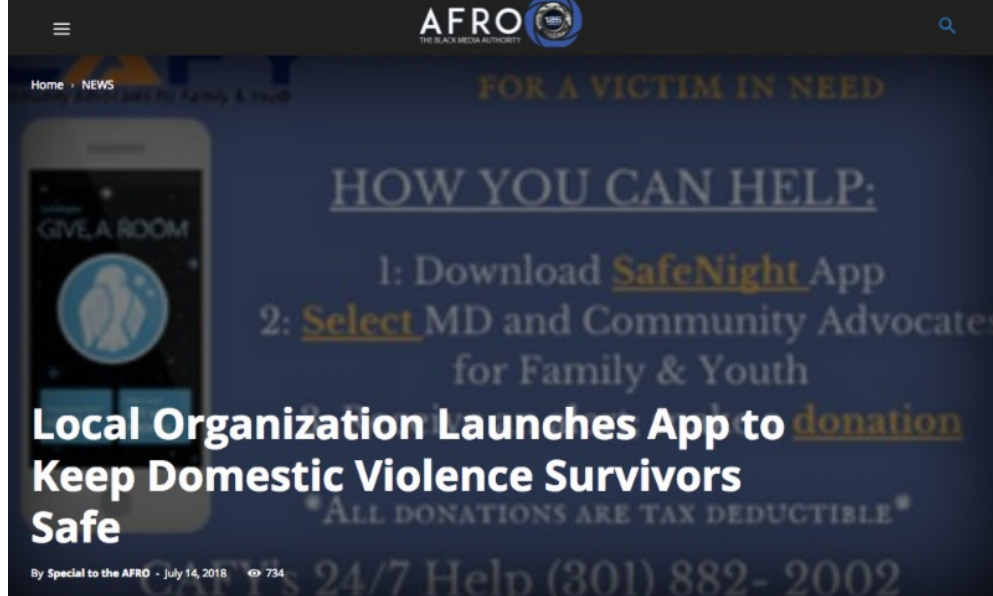

Mr. Lawrence Graham, Director of State Government Affairs at Verizon, stopped by CAFY's Counseling & Family Center to present our Executive Director, Arleen Joell, with a generous donation of \$10,000 to support victims of Domestic Violence.

With these funds, we will be able to hold our 15th Anniversary Masquerade Ball Fundraiser during Domestic Violence Awareness Month. All proceeds will assist in raising awareness on the issue of Domestic Violence in our community and expand our programs to serve those in need specifically with housing, emergency shelter, counseling and pro-bono legal services for our victims of Domestic Violence.

CAFY is so grateful for our partnership with Verizon and all that they do in the community. We look forward to having them at our Masquerade Ball as a "Great Gatsby" Sponsor. For more information on our upcoming event and sponsorship levels, please click [HERE](#).

CAFY Featured in the AFRO

CAFY has successfully launched our SafeNight App that helps victims get out of harm's way quickly and efficiently. We have always provided emergency stays to those in need, but with this app we are able to engage the community and extend the number of days we are able to offer.

The *AFRO* did a story on the SafeNight app and CAFY's work in supporting victims of crime. Check out the story [HERE](#).

Upcoming Events

SafeNight App Press Conference

CAFY and the Laurel Police Department will be holding a press conference highlighting our new SafeNight App. This app creates an opportunity for a member of the community to fund an emergency stay for a victim of crime directly using the SafeNight app.
