## CAFY Supports #DenimDay

#DenimDay brings recognition to Sexual Assault Awareness Month.

The campaign was originally triggered by a ruling by the Italian Supreme Court where a rape conviction was overturned because

*the justices felt that since the victim was wearing tight jeans she must have helped her rapist remove her jeans, thereby implying consent. The following day, the women in the Italian Parliament came to work wearing jeans in solidarity with the victim.*

## ***Unity Day***

*Thank you to everyone who came out to CAFY's Unity Day! A special thank you to our partners Prince George's County Police Department, Department of Parks and Recreation, Domestic Violence Wears Many Tags, Yahweh Outreach International and I'm Bruised But Not Broken.*

*During our Award Ceremony - our Founder/Executive Director, Arleen Joell, received a Proclamation presented by Andrea Harrison from Prince George's County Council Members in recognition of CAFY's 15 years of victim services under her leadership.*
